MESSAGE DURING MAY MEETING

1. Our Christian Insight Speaker was James Barbush, Success Facilitator

“What Do WE Have To Worry About?” - This is a testimony that relates to our Business Speaker for the session. Click the pic.

2. Our Business Speaker was Galen C. Krebs, Licensed Public Adjuster

Don't Wait Till You Have A Loss To Make Sure You Have The Right Insurance Policy.

INSURANCE TOPIC?. How interesting could that be? IT WAS VERY INTERESTING AND PACKED WITH INFO THAT EVERY HOMEOWNER NEEDS TO KNOW. If you have a house fire, or other damage, you need your insurance company to pay you for all the real damage and loss you have incurred. A Licensed Public Adjuster will make sure that happens.

I LEARNED THE FOLLOWING VALUABLE INFO FROM GALEN KREBS:

1. **ADJUSTERS.** **Company Insurance Adjusters** work for insurance companies and have no requirements for training or regulation. **Public Insurance Adjusters** are private, independent entities who must be licensed and perform to government regulations.
2. **YOUR LOSSES.** **Company Insurance Adjusters** will pay you for the damage they think you have incurred. **Public Insurance Adjusters** will mediate with insurance companies to get you paid for the real damages and loss you have incurred.
3. **YOUR HOME INSURANCE POLICY.** **Public Insurance Adjusters** can evaluate your insurance policy at no charge, to make sure you have the coverage you need.

To have your Home Insurance Policy reviewed for FREE, contact:

Galen educates clients on their homeowner or business insurance policies before they have damage, so they can make changes if needed.

Galen helps clients get treated fairly when they have a damage claim to their property.
