Transcript of the above linked video

Just pray out wherever you are.

Pray for this nation.

Pray for Israel.

Pray for your nation.

Pray for ecclesia [assembly of called out one].

The thing that Jesus cherishes most of all.

Pray, pray, pray.

God is not finished with this nation yet.

God has not given up on this nation, yet.

God has spoken.

*Why are there so many that would curse this nation?*

*Where do you find it in My word?*

*Who is persecuting My church?*

*Who is it that is slandering My church?*

*Who is it that is beheading My people? It is not America.*

*Have you looked at Islam and have you noticed, says the Lord, that the wickedness that they have presented, the wickedness that Saudi Arabia has given to the world is Islam in mecca and oil and they have said, we will control the United States. We will control the world.*

That God says,

*Look at Saudi Arabia, look carefully, for there is great wickedness brewing from there, and as they plan, says the Lord, as they plan, I want you to understand something.*

*While they are planning for the destruction of America, there are those in this nation that call themselves prophets that are constantly speaking against this nation.*

*There are those who call themselves prophets that speak [----] Islam against this nation.*

*There are questioned prophets that have joined forces in a very strange way to curse this nation.*

*Why have you betrayed Me, says the Lord.*

*This is where My church is being built up.*

*This is where bread is being sent to the world.*

*And this is not the place where My church is persecuted, not much.*

But God said,

*If you would watch, Saudi Arabia is hiding something, and they will be caught with their pants down, says the Lord. They will be caught, says the Lord.*

*Netanyahu, listen to Me Netanyahu. You are afraid of what is happening in Iran. Forget them for a minute. Look to other countries. For Russia has already made a decision.*

This prophet was caught up and saw the table that they have stood at. This prophet has heard how this dog that is from a junkyard is about to be released and how he will fight viciously that his attack shall not only be with Iran and it shall come against Saudi Arabia, but, the Lord says,

*Do not worry because while these cats and dogs are fighting America shall begin to bloom.*

*America shall begin to prosper.*

*America shall bring oil.*

*America shall bring oil.*

*America shall we shortly see a massive influx of new ideas and creativity.*

*A new energy is coming and it's coming soon, says the Lord,*

*A new energy is coming and it's coming soon.*

*Are you listening to Me? says the Spirit of God.*

*And you say, what about this president?*

*You say, what about this president?*

*Don't you understand that in the scriptures when a king did not deal with the people that were his enemies and if the king and a president does not deal with the enemies of God, who is it that I raise up. When Samuel told Saul you are to kill the Amalekites, every one of them, King Saul spared them.*

*You cannot spare them, Obama.*

*You cannot spare them. They are not spare-able, because God said, when the king did not do it, He raised up a prophet who would then overtake them.*

God says,

*The prophetic anointing upon this generation shall slice down the enemy's and America shall enter into a seven-year of prosperity, says the Lord.*

Come on.

*You may say, what does this have to do with me?*

*You may say, what has this have to do with me?*

*You have heard prophets shouting from the left and the right,*

*We have on good information that America shall collapse and it shall be wiped out.*

God said,

*Not while I'm alive and I happen not to be dying very soon. I died once, on a cross. I die no more. I die no more, says the Lord.*

*Don't you tell Me what My plans are.*

*Why is there a lying spirit in your mouth you prophets.*

*Why is it that you curse along with ISIS and Islam and the nation that has brought bread and brought oil and brought life be taken the captives into their borders.*

*What about that? says the Lord*

*Where is your justice?*

*Where is your righteousness?*

*Where is your equity?*

Oh, God says,

*I will show you that I will raise out of the dust of this nation, the dust I will raise young men and women who will take over, take charge, says the Lord.*

Come on.

All of you standing up,  
All of you watching all over the world, raise up your hands.  
We're going to pray a prayer for the nation.

God says, [added]

*So, what is the stench?  
What is the stench that I'm hearing of the prophet today?  
What is the stench that I'm smelling?  
What is that?*

*What I am smelling is betrayal, the spirit of Judas and the spirit of Joseph standing together, Judas to take away one but Joseph, which means, to add. And the Lord will add.*

*What am I saying? ISIS is a problem, but it's not the only problem.*

*They have made a plan to enter the schools of America. No, no, no, this is a long-term plan.*

*They will enter in and they shall send young men and women and they shall intermarry, and they shall raise families that shall stand in contempt in the second presidency from now, they shall be called another name then.*

*They shall attempt to do something in the White House.*

*They watched all your movies, how the White House has been taken down, and they have dreamed their dreams and I have sat and I have watched, and I have laughed because it is true that said they can possibly cripple America for a season and they did, but they will never touch Israel.*

*Well, you see, Israel has My supernatural protection. Yes, Israel has My supernatural protection.*

But the Spirit of God says,

*May I ask you a question? May I pose something to you?*

*Watch who I hear. I hear the sounds of young men, young children, saying Yeshua,*

*Yeshua, Yeshua, Yeshua, Yeshua, Yeshua, Yeshua, Yeshua.*

*From the north to the south,  
From the east to the west,  
From the middle of the country on the mountains and the hills*

*Yeshua, Yeshua, Yeshua,*

*Let it go a little into the heart of Iran and into the heart of Pakistan. Into the heart of ISIS*

*Yeshua, Yeshua, Yeshua.*

*Everybody all over the world, I want you to say his name out loud.*

*To Iran*

*Yeshua, Yeshua, Yeshua, Yeshua.*

*Now Iran do you really think you are going to take Me out of the hearts of the young men and women  
Do you really think that I'm going to move away just because of ISIS?  
Do you really think that I'm going to move away just because of Islam?*

*No, I have a church that I am building and the gates of hell will not prevail against Me*

*Yeshua, Yeshua, Yeshua, Yeshua, Yeshua, Yeshua, Yeshua, Yeshua.*

What did the prophet just say to you?

*Can I pose a question?*

*Can the borders of Iran, Pakistan, can the borders of Iraq, Saudi Arabia, can they stop Yeshua? No!*

*Now hear Me out, says the Lord.*

*Mecca, how they have been fooled and cursed. That cursed stone that shall be unraveled and broken  
in pieces.*

And I speak boldly today from this platform, but respectfully.

*Saudi Arabia you kept the oil. You tried to deal with Russia. God says, You did the wrong thing.  
For when you touched My church, can My ecclesia [assembly of My people] be destroyed. Never!  
Yes, we know there will be tribulation and so it shall be and My people so join Me. But before that  
time, there is a global awakening. No, no, not just one town and city, not just one country, but many.*

*Look at how I invaded Egypt.*

*You see, most people don't know this, but it was in Arabia that John the Baptist was beheaded and  
it is in Arabia and Saudi Arabia shall and has persecuted more Christians than you realize, but  
God has said, I will now make them accountable.*

*How shall I do this?*

*I will prosper the very country that they hate calling them the Great Satan.*

*New energy is arising, and God says, Even though oil shall always be fought after.*

*They shall be burning and burning and burning like you have never seen.*

*And there shall be fights and antagonism but I cannot unfortunately do it now as I'm stuck  
with one who has decided not to fight Islam, not to fight a Radical Islam.*

But God said,

*I will cause a new one to rise up in this nation.*

And God said,

*There will be a prophetic anointing that shall carry you until that year and that prophetic anointing,  
says the Lord, will bring prosperity to the soil of this country and to the families of this nation.*

*Yes, they have sinned.*

*America is not guiltless, but God said, when I weigh the balance, when I weigh the scales, when I set  
up the scales, there is great iniquity in Saudi Arabia and all over that region and therefore watch  
with your eyes as the earth shakes and watch others prosper, for now I set the prophetic seal that  
upon My house and upon My church to prosper and prosper and prosper even more, says the Lord of  
Hosts.*

Come on

Do you believe it?

This is a very, very powerful night.

I know many of you watching all over the world have suddenly been drawn into a whole new episode of prophetic utterance. I'm not saying I'm better than any other prophet. The prophets are now focusing.

God said,

*In there will be an inter-mingling, inter-marrying.*

*Terrorism, ISIS, coming into the country luring the girls and the young men.*

But God said,

*I told you about the Damascus Road Experience.*

*I told you, I'm not going to sit back if I did it then I will do it now again.*

*As they are attempting to persecute My church who I am building.*

That's what He says.

*So I shall once again appear blindness shall come scales and eyes.*

*And the voice shall say, I am Jesus whom you are persecuting that day is upon us.*

*But I considered something and I know that you want you all over the world.*

You just heard it with Me.

You just heard from this den, God's prophet laying out a plan, entering into a new era of energy.

America listen, fracking and whatever you call it, is going to take place.

There is going to be a great supply of oil and God's spoke this, yes many would say, But it's time for America to end now. You would agree with Islam and the terrorist organizations, would you? Have you just heard the heart of God. Everyone watching me right now, did you?

Here God said,

*There are two things that are our present the spirit of Judas, which has betrayal to its own nation and to its own people and to its own messiah, and then there is a spirit of Joseph that has been released. Now you can be a part of this.*

*Joseph means that the Lord will add.*

*I don't know about you, but I'm ready for God to add.*

*I said, I don't know that you, but I'm ready for God to add.*

Before I do anything else, this drew it out of me true. All week, I've been carrying this and now I was carried above a table with Putin and 4 others. I did, I saw them writing things which I am not permitted to speak now. Otherwise, I won't be alive next week. I am not permitted to speak this now but there will come a point when I can share it with the right authorities and I will do it and I will do it as I go to Israel.

That is my duty. That is what he called me to do.

But now, everyone watching me, I want every one of you to listen. When God speaks . . . .
